Evaluation Training

At 4:05 pm board members participated in Evaluation training with Joy Anglesey, Vice President of Human Resources and Equity. Joy gave a PowerPoint presentation on how to assess executive performance and leadership capabilities.

Joy provided guidance to assist the board in developing meaningful feedback and provide the president with practical professional development opportunities.

It was also suggested that perhaps more frequent “check-ins” may be beneficial; a yearly evaluation looking backwards at the president’s performance is conventional but may not be the best tool moving forward.

Joy will ensure that the trustees receive all of the information presented today as well as the evaluations from the president’s direct reports.

Adjournment

The meeting was adjourned at 5:10 p.m.

APPROVED:

Court Stanley, Board Chair

Dr. Bob Mohrbacher, Board Secretary
