Centralia College complies with the Family Educational Rights and Privacy Act (FERPA) which affords you certain rights with respect to your records. They are:

1. The right to inspect and review your educational records within 45 days of the day Centralia College receives a request for access.
2. The right to request the amendment of your education records that you believe inaccurate or misleading. You may ask Centralia College to amend a record that you believe is inaccurate or misleading.
3. The right to consent to disclosures of personally identifiable information contained in your education records, except to the extent that FERPA authorizes disclosure without consent.
4. The right to prevent disclosure of directory information. Centralia College routinely publishes and discloses directory information about students to various requestors.
5. The right to file a complaint with the U.S. Department of Education concerning alleged failure by Centralia College to comply with the requirements of FERPA.

The name and address of the office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 600 Independence Avenue, SW, Washington, D.C. 20202-4605.

For a detailed description of these rights and how they effect you, call the Centralia College Admissions Office.

Refund policy

Non-credit classes are self-supporting and are not financed by state tax funds. When classes must be cancelled due to low enrollment or some extenuating circumstance, a 100% refund will automatically be processed. To withdraw from a class, you must do so 24 hours before the start of class in order to receive a 100% refund.

Centralia College offers courses through Senior Center outreach sites in Lewis County. Classes range from fitness to drawing and painting to computer skills. Please contact the site directly for information on available classes.

This class is for returning students. Classes are offered Monday – Wednesday, with seven class times to choose from. Contact Continuing Ed office for more information at 360-736-9391, ext. 427.

### NEW! Birthday Calendar

Having a hard time keeping track of birthdays? Grace will help you design a wood birthday calendar. These make great decorative and practical gifts. Choose from shabby chic to rustic country and everything in between. A fun class to attend with friends and family! Supply fee $10. Instructor: Grace Wills.

**Sept 19 – Sept 26 M 5:30pm – 7:30pm WSC 215**
- Code 4713 Course CS 101W $30

### Basket Weaving

Learn the basics of basket weaving and pattern techniques. You’ll be weaving with Rattan, also called Date Palm, which is pliable when wet, but incredibly strong when dry. You will be using color (dyed) Rattan and Seagrass for accent patterns. Learn the basics of weaving, as well as new techniques with each new basket. Weaving is very therapeutic and rewarding. Anyone can learn the wonderful art of weaving! Instructions for staining, cleaning, and caring for your basket will be included. You’ll be going home with a finished basket at each class. Bring a snack or lunch; we’ll be working through lunch. Kits with instructions for each basket will be available to purchase. Supply cost listed below. www.bremermountainbaskets.com. Instructor: Carolyn Snedigar.

### Intro to Artistic Welding & Metal Working

Beginning students only. You will be introduced to beginning welding techniques and metalworking. You will learn a variety of processes, including oxy/acetylene welding, MIG welding (GMAW), torch cutting, plasma cutting, and the use of metal shears, benders, grinders, punches, saws, and drill presses. If you are interested in learning other processes, such as TIG welding (GTAW) or stick welding (SMAW), you will be given special instruction and opportunity to practice on your own. You will be given an opportunity to complete an artistic project of your choice. This is not an Industrial Welding class. Supply list will be mailed. Instructor: Marycolleen Foley.

**Sept 26 – Nov 28 M 6:00pm – 9:00pm TEC 103**
- Code 4666 Course CS 139A $135
Intermediate and Advanced Metal Working and Welding

This course is designed for students that have taken Intro to Artistic Welding and Metalworking class and/or students who want further instruction in technical areas of metal forming and welding. Shop space and a grinding room, as well as welders and various metal forming, shaping and cutting equipment will be provided. The instructor will be available to answer questions, provide feedback and technical and support assistance, discuss methods of fabrication, and offer refresher instruction. A $25 lab fee to cover welding gases and wire is included in tuition cost. This is not an Industrial Welding class. Instructor: Marycolleen Foley.

Sept 28 – Nov 30 W 6:00pm – 9:00pm TEC 103
Code 4667 Course CS 139B $150

Silk Scarf Dying

Design and create beautiful 100 percent silk scarves using professional dyes from Jaquard. Jaquard's Red Label dyes have the reputation of having the richest most elegant colors. Learn new techniques with each scarf created. Supply fee $10 per scarf dyed. You will have time to dye 2-3 scarves. Class is held at 17B31 Applegate St, SW, Rochester. Instructor: Joan Hitchcock.

Sept 22  Th 6:30pm – 8:30pm Rochester
Code 4698 Course CS 101L $30
Oct 12  W 6:30pm – 8:30pm Rochester
Code 4699 Course CS 101M $30
Nov 2   W 6:30pm – 8:30pm Rochester
Code 4700 Course CS 101N $30
Nov 30  W 6:30pm – 8:30pm Rochester
Code 6617 Course CS 101D $30

Beginning Artist Watercolor

Come explore and easily find beginning success. Each week, basic techniques will be demonstrated and applied through practice and projects. Youth are welcome! Students under 12 must be accompanied by an adult. Each 3-week session during the year will present new concepts and projects. Class is held at 2114 Sandra Ave., Centralia. Supply fee $20. Instructor: Sue Wachter.

Sept 26 – Oct 10 M 5:30pm – 8:00pm Centralia
Code 4680 Course CS 137A $45

Mosaic Workshop

More popular today than ever, mosaic is an ancient art form that is creative and relaxing and perfect for non-artists! You’ll learn all the steps for making beautiful mosaic pieces both decorative and useful — all at your own pace and experience level. A great recycling activity, too! Bring an item you’d like to transform or select from the instructor’s treasures. Supply fee $10; all materials and tools are provided. Instructor: Susan Alexander.

Oct 3 – Nov 7 M WSC 215
3:00pm – 5:00pm Code 4701 Course CS103A $75
6:00pm – 8:00pm Code 4702 Course CS 103B $75

NEW! Toothbrush Rug

Learn the timeless toothbrush rug technique, also known as nalbinding in Scandinavian countries. This technique gives you the look and weight of a braid rug without braiding or stitching. Each stitch locks; when you reach the size you want, you are done. Rugs are made with a modified toothbrush and look similar to braided rugs, but offer more durability. You will start and complete your rug using not only age old methods but also those the instructor has developed. Supply fee $10. Instructor: Grace Wills.

Sept 22 – Oct 6 Th 5:30pm – 7:30pm TEC 109
Code 4675 Course CS 101J  $50
Nov 3 – Nov 17 Th 5:30pm – 7:30pm TEC 109
Code 4676 Course CS 101K $50

NEW! The Felted Landscape

Design and create beautiful landscapes “painted” with dyed wool. The first evening, using wet felting techniques, you will learn to layer and combine wools to create the background for your painting. The second evening, you will utilize needle felting techniques to add details and special touches. Bring your favorite non – copyrighted landscape image or use one of the class images. Class is held in the Creative Space at the Rectangle Gallery in downtown Centralia (209 N Tower Ave.). Instructor: Joan Hitchcock.

Sept 27 – Sept 28 T W 6:30pm – 8:30pm Centralia
Code 4696 Course CS 136F $75
Oct 17 – Oct 18 M T 6:30pm – 8:30pm Centralia
Code 4697 Course CS 136G $75
Nov 14 – Nov 15 M T 6:30pm – 8:30pm Centralia
Code 6616 Course CS 136F $75
NEW! Autumn Papermaking

Learn the beautiful art of handmade papermaking using autumn’s bounty of leaves, seeds, flowers and edibles. You’ll construct your own molds and produce natural papers for gifts, cards, bookmaking, and more. Great recycling activity, too! Bring lunch, friends, large cookie sheet, dried flowers/seeds; instructor provides everything else you'll need! Supply fee $10. Instructor: Susan Alexander.

Oct 15 Sa 10:00am – 2:00pm TEC 109
Code 4703 Course CS 101O $ 49

NEW! Holiday Papermaking

Holidays are the perfect time to learn the beautiful art of handmade papermaking. You’ll construct your own molds to produce colorful, sparkly papers for festive gifts, cards, and decorations. A great way to recycle and save money! Bring lunch, friends, and a large cookie sheet; instructor provides everything else! Supply fee $10. Instructor: Susan Alexander.

Nov 19 Sa 10:00am – 2:00pm TEC 109
Code 6618 Course CS 101E $ 49

Wood Signs with Stencil Making

Learn techniques and tricks for designing effective stencils to reflect your style and attitude. Instruction will be given for preparing and distressing wood surfaces. During the class, you will combine this knowledge to confidently create beautiful, humorous, or inspiring wood plaques. The goal is to make great decor for your home. The plaques make great gifts for friends and family just in time for the holidays. You will need to bring a wood burner or wood burning pen with a stencil tip. Supply cost $10. Instructor: Grace Wills.

Sept 20 – Sept 27 T 5:30pm – 7:30pm WAH 116
Code 4718 Course 101X $30
Oct 4 – Oct 11 T 5:30pm – 7:30pm WAH 116
Code 4719 Course 101Y $30

Zendoodling: Beginning & Applied

Class is two sessions. Explore your hidden, inner creativity with zendoodling, a meditative, soothing art form. You’ll learn beautiful patterns and techniques you can use alone or with stamping, scrapbooking, watercolor, etc. Then we'll apply zendoodling to wearable, decor, cards, etc. All supplies and materials provided by the instructor. Bring lunch and a friend. Supply fee $10. Instructor: Susan Alexander.

Oct 22 & 29 Sa 10:00am – 3:00pm WAH 109
Code 4704 Course CS 136G $75

Fiber Art Clinics

Take your first steps as a fiber artist. In small groups, set your individual pace and schedule to develop your silk painting/dying and or wet felting skills. Techniques will be applied to your choice of designing hung/framed or wearable art pieces. Experience the inspiration and encouragement that is unique to learning and exploration in a multimedia and multi-skilled environment. Each clinic will provide an opportunity for your choice of a variety of silk dying/painting or wet felting techniques. Choose to develop one or both medias. Beginner and advanced opportunities will be presented. See the Fiber Arts Clinics schedules, choices and supply fee list. Contact instructor at least two days prior to clinic with your choices. Five students per session limit. Classes are held at 2114 Sandra Ave., Centralia. Supply fees indicated. Instructor: Sue Wachter, localartclass@gmail.com, 360-870-6569.

**DANCE**

**Swing Dance**

This class is geared toward teens and young adults, as well as the young at heart! Learn the East Coast Swing, starting with the basics and moving on to advanced steps and rhythm changes. You will learn how to lead and follow various partners with emphasis on timing and styling. Find out when to use single time versus triple time swing and move easily between the two. Learn to do multiple spins and some trick steps. Wear comfortable clothing and shoes that allow your feet to spin a full turn (leather or smooth soles) — preferably not tennis shoes. Classes will be held at Flying Tiger Exercise Arts Center, 219 S. Tower Ave., Centralia. Instructor: Marie Kiser.

  Code 6602  Course CS 226A  $20

PERSONAL IMPROVEMENT

Beginning Spanish
If you are new to the Spanish language or just want a refresher course, please join us for this class. We will address all four language skills (reading, writing, listening, and speaking) through thematic vocabulary units. Although grammar will not be the main focus of the class, it will be presented so you can apply basic rules to new words. All materials will be provided by the instructor. Instructor: Arlene Mickols.

* Sept 19 – Oct 7 MWF 7:00pm – 8:30pm WAH 115
  Code 4664  Course CS 297B  $85

NEW! Using Your Beginning Spanish
This class is a continuation of the Beginning Spanish class. You will read a short simple novella written completely in Spanish. Using a controlled vocabulary, you will be able to practice the present tense, be introduced to object pronouns, and learn other grammatical structures. The course is for continuing students and those with basic understanding of elementary Spanish grammatical structures and a basic Spanish vocabulary. Supply fee $6. Instructor: Arlene Mickols. No class 10/14.

  Code 4665  Course CS 297C  $85

NEW! Seven Simple Secrets to Financial Freedom
This class is taught by a single mom turned home business entrepreneur/home owner/real estate investor. This is not a get rich quick scheme; this is a plan of action to get out of credit card debt and reduce bad credit, raise your credit limit and lower your interest rate, use more credit to raise your credit score, buy a home (even if you have bad credit or are self-employed), pay off your mortgage in half the time with less money, keep your home protected against lawsuits, and become an active investor for financial freedom. This workshop is not for those already advanced in financial matters. No legal advice is provided. Supply fee $20. Instructor: LeeAnne Krusemark.

* Nov 3 Th 3:00pm – 5:00pm WAH 105
  Code 4683  Course CS 236A  $29
NEW! Save Money with Extreme Couponing
Learn how to save money every day with extreme couponing. Coupons are not just for groceries. The savings can add up to hundreds or even thousands of dollars every year. This comprehensive workshop will teach you where to find different types of coupons, and how to find the best coupon websites, decipher coupon policies, and find other people to trade coupons with. You’ll also learn to store and organize your coupons. Feel free to bring your coupons to class for a trading session. Supply fee $10. Instructor: LeeAnne Krusemark.
Nov 3 Th 5:00pm – 6:00pm WAH 103
Code 4684 Course CS 236B $16

NEW! Earn Extra Money with a Mystery Shopping Business
You do not have to pay to begin your new career in this exciting field. You will learn how to start your business endeavor (participants must attend “Cash-in with a Successful Home-Based Business”) and create a mystery shopping profile, sign up with many mystery shopping companies without fees, avoid the pitfalls and scams, and become a merchandiser. With a few simple steps, you can start Mystery Shopping today! Supply fee $10. Instructor: LeeAnne Krusemark.
Nov 3 Th 6:00pm – 7:00pm WAH 103
Code 4685 Course CS 236C $16

NEW! Cash-in with a Successful Home-Based Business
Turn your talents and hobbies into profits at home by learning how to start a home-based business. During this informative workshop, you will discover the mandatory legal documentation, ways to market your product/service, take tax deductions, and learn about more than 100 home business ideas and free future Q&A opportunities. This is probably the most comprehensive business startup workshop you will ever find, so if you really want to succeed in a home business, this step-by-step session is a must! Supply fee $20. Instructor: LeeAnne Krusemark.
Nov 3 Th 7:00pm – 9:00pm WAH 103
Code 4686 Course CS 186A $29

NEW! Make Money with a Typing/WP/Virtual Assistant Business (prerequisite)
If you can type, then you can make money at home using your word processor or computer. Having already learned all about home-based business success (participants must attended “Cash-in with a Successful Home-Based Business”), you will discover how and where to find clients, 50 ways to advertise/market your services, effective home office equipment choices, 100 ways to make money with a computer, and free national networking information. There really is a need for your services, so learn to be your own boss, set your own hours, and make more money. Supply fee $10. Instructor: LeeAnne Krusemark.
Nov 3 Th 9:00pm – 10:00pm WAH 103
Code 4687 Course CS 186B $16

Intro to Spiritual Journeys
Spiritual Journeys is a very effective program that uses self—hypnosis techniques to safely and significantly accelerate your spiritual development and awareness in just a few days of meditation. Learn techniques to take yourself into deep relaxation, to develop a strong connection to your Inner Wisdom, to receive trusted information and guidance from Source, and to consciously explore the spiritual realms and obtain answers to your innermost questions. No prior experience necessary. You will not be hypnotized in this class; it is for introductory information only. Class is held at Evergreen Healing Arts Center, 57 W. Main St., Chehalis. See www.howardbatie.com for further information or call 360-219-8512. Instructor: Howard Batie.
Sept 24 Sa 10:00am – 12:00pm Chehalis
Code 4716 Course CS 236F $20

NEW! Make Your Dreams Come True
Everybody has a dream. But having a dream and making it come true are two very different things. This class offers a practical approach to some of life’s familiar dreams of finding a spouse, buying a house, picking a career, changing careers, starting a business, retiring, relocating, traveling, and more. You’ll learn to define and refine your dream, clear the decks for change, make plans, set and achieve goals, overcome the most common stumbling blocks and failures, and live the dream. Whether your dream is big or tiny, it’s never too late or too early in life to make it happen. PowerPoint presentation and outline. Plenty of time to get your questions answered. Instructor: Joelle Steele.
Oct 22 Sa 9:00am – 1:00pm WAH 113
Code 4690 Course CS 290A $65

NEW! Transforming Negative Emotions
Techniques for improving the quality, effectiveness, and joy of life. Webster’s defines “negative” as “not constructive or helpful.” We all experience emotions we do not enjoy, and which we often recognize as counter-productive. Yet we feel powerless as to what to do with this energy. Come and learn simple techniques using sound, movement, and visualization to transform discomfort to ease. No equipment is necessary. Wear comfortable clothes and bring a cushion if you prefer to sit on the floor. Chairs will be provided. Please come as fragrance-free as possible out of consideration for others. Instructor: Ardeth Ellis.
Oct 15 Sa 10:00am – 1:00pm WAH 109
Code 4695 Course CS 206A $40

BUSINESS
Grant Writing Basics for Nonprofit Organizations
This workshop is focused on preparing for and writing grants for small nonprofit organizations. The course will cover the elements of a grant proposal, budget development, and evaluation metrics to measure the impact of your project on your community. The presentation includes ample time for questions and answers and discussion. Instructor: Gayle Palmer.
Sept 24 Sa 9:00am – 1:00pm WAH 115
Code 4693 Course CS 176B $60

Creating a Fund Raising Plan for Non Profit Organizations
This workshop covers planning, development, and implementation of a long-term, strategic funding plan to support the mission of your nonprofit organization. It matches your mission with the funding needed to accomplish projects. Focus is on how to prepare a plan that will provide a steady source of funding for your community. Instructor: Gayle Palmer.
Oct 15 Sa 9:00am – 1:00pm WAH 115
Code 4694 Course CS 186D $60
**Introduction to Small Business Website Development**

A thorough non-geek introductory overview of everything you could possibly want to know about starting a website or handling problems with an existing one. At the very least, you'll learn how to communicate with a web designer. Covers Internet basics, including hosting, domain names, software, HTML code, style sheets, shopping carts, writing relevant content, search engine optimization, marketing and promotion, social networking, design principles, navigation structures, and more. PowerPoint presentation and detailed outline. Bring your lunch. Instructor: Joelle Steele.
