## Relationship

## Transitions

to add a point

second  
moreover  
finally  
another  
not only...but also

in the third place  
subsequently  
above all  
again  
similarly

equally important  
furthermore  
along with  
nevertheless  
notwithstanding

next  
following  
then  
still  
not unlike

to give an example

for example  
to exemplify  
a case in point  
suppose that

for instance  
analogous to  
to demonstrate  
in this instance

to illustrate  
in the same manner  
comparatively  
in order to clarify

that is  
such as  
as well as  
to show

to compare

in relation to  
in much the same way  
consistent with  
by the same token  
in a similar fashion

in like manner  
to the same extent  
uniformly  
identically  
resembling

correspondingly  
parallel to  
in the same manner  
equally important  
in comparison

similarly  
akin  
equivalent  
likewise  
relative to

to contrast

though  
and yet  
in spite of  
however  
nonetheless  
another distinction  
unbalanced

even though  
at the same time  
even so  
in contrast to  
conversely  
instead  
divergent

although  
despite  
for all that  
contrary to  
to differ from  
counter to  
conflicting viewpoint

anti  
against  
still  
unique  
difference  
unlike

to show cause/effect

accordingly  
as a result  
the outcome  
as a consequence  
eventually  
because of  
in view of  
produced

owing to  
in effect  
the end result  
consequently  
subsequently  
for this purpose  
otherwise  
generated

impact  
due to  
the aftermath  
following that  
created  
for this reason  
therefore  
precipitated

since  
thus  
made  
hence  
produced  
initiated  
thereafter  
induced

to show sequence/time

first  
ultimately  
initially  
from this point  
the following  
immediately following

in the first place  
at the onset  
commencing with  
concurrently  
the next  
subsequently

consequently  
starting with  
embark  
secondly  
after that  
on the next occasion

once  
at last  
finally  
later on  
in turn  
earlier

to conclude/sum up

in conclusion  
the final  
hence  
in summary  
consequently

in closing  
to terminate  
the final outcome  
to sum up  
as a result

last of all  
thus in short  
the end result  
to recapitulate  
in general

in brief  
finally  
therefore  
all in all  
in sum

to emphasize a point

by all means  
especially  
significantly  
of major interest  
the major point, reason  
the utmost

without question  
more important  
of great concern  
the most dramatic  
extremely  
overwhelmingly

undoubtedly  
considerably more  
even more important  
definitely  
exceedingly  
to highlight

to be sure  
absolutely  
indeed  
notably  
above all  
primarily
