For financial aid purposes I will be treated as a Centralia College student. My financial aid will be based on my cost of attendance at Centralia College (CC). CC will be responsible for awarding and disbursing all of my financial aid. Peninsula College agrees not to award financial aid to me and will notify CC if they receive information that I withdrew or am no longer attending classes at Peninsula College. Centralia College's satisfactory progress policy will be applied to the classes I take at Peninsula College and Centralia College.

Funding will be awarded by Centralia College and used to pay my tuition charges at Centralia. If there are remaining financial aid funds after my tuition has been paid, then a financial aid balance check will be generated. If I wish to have my balance check mailed to me I must contact the Centralia College Financial Aid Office at (360) 736-9391, ext. 234 to make the appropriate arrangements. I will need to complete and submit an attendance verification form before Centralia College can mail my check. I can access the attendance verification form from the Centralia College web site at <http://www.centralia.edu> under the forms section of the financial aid page.

I am aware that my tuition charges at Peninsula College will not be automatically paid with my financial aid funds from Centralia College. I am responsible for making sure my Peninsula College tuition charges are paid by their posted due date.

My signature below indicates that I have read, understand, and agree to all of the above conditions.
