## Centralia College Booster Club

is looking for people who care about promoting student success through the college's athletic program. Your support means you will enjoy the thrills of exciting college sporting events and know that you are providing needed financial support for student-athletes.

Our quality athletic program depends on scholarships and community support. You can share in the success of the college's athletic program through your individual membership in the Centralia College Booster Club. A minimum of only \$25 (no maximum) makes you an important part of this outstanding collegiate program.

The Centralia College Booster Club Athletic Scholarship Endowment Fund was established in 1989-90. Income from this fund provides tuition support for student-athletes. Your generous gift to the Booster Club Endowment Fund opens doors of educational opportunity for increasing numbers of men and women athletes who will benefit from financial assistance.

The Booster Club's top priority is to make it possible for student-athletes to compete not only in sports but also in the classroom. Your donations help make that support possible.
