

Student-Athlete Conduct Code

Participation in athletics is a privilege and is subject to compliance with the Centralia College Student Rights and Responsibilities Code and the Centralia College Student-Athlete Code. Student-athletes are responsible for compliance with both codes at all times when enrolled at the college, not just during the active sport season. Sanctions associated with violations of the Centralia College Student Rights and Responsibilities Code will be determined by the Vice President of Student Services through the process outlined in the code. Sanctions associated with violation of the Student-Athlete Conduct Code will be determined by the Athletic Director.

Failure to comply may result in discipline ranging from a warning up to and including immediate suspension or expulsion from athletic participation.

Student-Athletes representing Centralia College in intercollegiate athletics shall not act in a manner contrary to regulations of the college or the policies of the individual teams. Students shall conduct themselves in a manner befitting of a Centralia College representative while enrolled at the college.

A student-athlete, regardless of age, shall not use, be under the influence of, or possess controlled substances, alcohol, or marijuana at any time on campus or off campus. If found in violation of a drug or alcohol offence the following sanctions will be imposed:

1st offense: 20% of a season game suspension

2nd offense: Immediate one-year suspension

3rd offense: Immediate permanent suspension from any sports teams

The use of tobacco or e-cigarettes, in any form, by any participant (athlete, Coach, staff, or umpire) during any NWAC practice, game, or activity is prohibited.
