PRESIDENT'S OVERVIEW

Members of the Board:

Spring Quarter is well on its way with 6 weeks to go before graduation. Although a few crazy things always happen in springtime everything seems to be going well. As of this moment we are waiting for May 13th, when the legislature reconvenes. At that time we are hopeful of having a budget, so we can get on with our planning. If the budgets presented thus far hold true we could see additional revenues. That would be the first time in 5 years.

Thank you to those attending the Honor Student Assembly, Etiquette Dinner, the ball games and the other activities sponsored or put on by our students. Your attendance is always appreciated.

Our FTEs are going to be flat for spring. We are up a bit in workforce, down a bit in academic transfer and up a bit in transitional education. We are still on track to reach our annual allocation target.

We interviewed, selected and received an acceptance from a new Spanish instructor. Mercedes Meier. We also found out from one of her references that she has been selected for an exceptional faculty award at her current college. We are close to making an offer for our economics instructor position.

Softball, baseball and golf will be over in another few weeks. It appears our ladies will once again make the tournament down in Portland May 17 and 18. The theater performance on May 16-18 is entitled: Check Please. The May 23-25 performance is Just Plain Jane. Enjoy the sunshine and warm weather.
