4.010 ACCOMMODATING STUDENTS WITH DISABILITIES

POLICY:

Centralia College complies with Section 504 of the Rehabilitation Act of 1973, the American with Disabilities Act of 1990 and amendments, and all other applicable state and federal regulations that prohibit discrimination on the basis of disability.

PROCEDURE:

If you have a disability and wish assistance, contact the Disability Services Office as soon as possible preferably at least six weeks before the start of the quarter. We determine accommodations on an individual case by case basis. We ask for current documentation of your disability (usually not older than three years for most disabilities) by a qualified professional. For accommodations for special events or activities, request accommodations early enough for us to review documentation and arrange for accommodations.
