

## **4.020 ADMISSION TO COLLEGE AND ENROLLMENT IN COURSES**

### **POLICY:**

Admission shall entitle the student to enroll in instructional programs provided that the student shall comply with the rules and procedures established for enrollment in such programs.

Admission does not guarantee the applicant the unrestricted right to enroll in any specific class, course, or program if in the judgment of the college president, or designee, reasonable enrollment limits for such class, course, or program have been achieved or if the applicant does not meet reasonable prerequisites for such enrollment.
