

#### **4.025 ADVANCED PLACEMENT**

**POLICY:**

On a case by case basis, students may receive advanced placement. Advanced placement allows enrollment in an advanced class without having to take the course normally preceding it.

**PROCEDURE:**

Determinations for advanced placement are based on prior experience, skills or knowledge required to complete the course being waived. The instructor must sign the registration form to waive a course prerequisite. Also see 4.125, Non-traditional Credit
