

4.065 COUNSELING REFERRALS

PRACTICE:

Campus contact: Coordinator of Counseling

The Counseling/Career Center is designed to provide students with assistance in making decisions of an educational, career and/or personal nature. A variety of interest and assessment tests and inventories are available to assist individuals in the decision making process. The Counseling/Career Center also serves as the initial contact with new full-time students. (For employee counseling referrals, see Chapter 3.77)
