

4.130 REGISTRATION

PRACTICE:

Registration is the process of officially enrolling in classes. The process includes advisement, completion of enrollment forms, completion of registration forms and payment of fees. Currently enrolled priority students are given priority in selecting their classes and are permitted to register earlier for the next quarter. Appointment times are scheduled according to total cumulative credits earned.

POLICY:

Only officially registered students may attend class.

PROCEDURE:

Complete information on the registration process can be obtained from the Office of Admissions and Records and the quarterly class schedule.
