Your education is affordable!
There is no doubt that the cost of a quality education is increasing but the long-term financial gains from your education are documented to be well worth your investment now. The low tuition, with generous financial aid and student employment opportunities, make Centralia College one of the best values in higher education today. Almost 50% of all full-time students attending Centralia College receive financial assistance. Financial aid awards and scholarships range from a few hundred dollars to enough to cover all of your college expenses at Centralia College. Your investment in your education now will pay dividends for a lifetime!

You are encouraged to apply for financial aid and scholarships. The information you provide when you complete the financial aid forms will be used to determine the amount of funding that you and/or your family will be expected to contribute toward your educational costs.

Scholarships
Scholarships recognize and reward you for outstanding achievement and/or academic excellence. Scholarships are awarded on the basis of grade point average, community involvement or service, school or community activities, work, and your writing and range from $100 to full tuition. At Centralia College, one completed scholarship application form is all you need to apply for over 100 scholarships available through the Centralia College Foundation. You are encouraged to apply, you just might be surprised by the results!

Low cost tuition
The tuition rate is among the lowest possible in the state. And the high quality education you receive at Centralia College will pay dividends for the rest of your life. You’ll benefit from a first-class educational experience and a quality college education for a fraction of the money you might spend elsewhere – plus you may earn potential tax credits (please check with your financial advisor for complete information).

Location
There’s no better place to attend college. Less than two hours from Portland or Seattle, less than 30 minutes from Olympia, Centralia is still a safe, rural community. There are numerous activities including access to major sporting venues, outdoor recreation, performing and cultural arts. The community provides a great setting for study, leisure, and employment opportunities.

Centralia College also has an education center in Morton, Washington.
Centralia College! What a great place to learn, to come alive! And now it’s your time to continue the journey toward your exciting future. There’s no better place than Centralia College and no better time than now. You know education is critical to your success and that Centralia College is committed to quality education. Our outstanding faculty members know what it takes to help you succeed and go out of their way to help you. Whether you choose to take one or two courses or go on to earn your certificate or associate degree, Centralia College offers academic and technical programs that can fit into your individual educational and career plans.

Centralia College has a well-earned reputation for excellence. Our courses are taught with the same high standards as those of four-year universities. That means you can take those classes in a smaller, user-friendly learning environment that is a hallmark of Centralia College. Inside and outside the classroom, you will enjoy a quality collegiate experience. Plus, you will be learning in some of the newest educational buildings anywhere. And in the world of higher education, that’s huge. Come to where your success matters ... Come to Centralia college.

Want to ask questions of current students? Find out the inside scoop about college life and classes. Contact any of our Student Admissions and Activities Team (SAAT) members by calling (360) 736-9391, ext. 221, or send an e-mail inquiry to: saat@centralia.edu

The classroom experience

One of the strengths of Centralia College is its exceptional cadre of talented professors, men and women carefully selected for their academic credentials, teaching experience, and commitment to you. We boast of having more than 30 Exceptional Faculty Award recipients and a Washington state Professor of the Year Award recipient on staff. The bottom line is that our faculty know their stuff and genuinely care about your success.

Degrees of success

ACADEMIC/TRANSFER:

Programs leading to Associate or Bachelor of Science degrees transferable to a four-year college or university. If your degree goal is not listed, rest assured that you may begin your four-year degree in just about any subject area at Centralia College and transfer credits to cover the first two years of your college education.
