The overall activity level of this tour is a level 3. This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces, is no problem for you. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transportation (tuk-tuk, cable car, zodiac, etc.). You can climb three flights of stairs easily and handle altitudes between 6,000 and 9,000 feet. Expect some longer days with early mornings or late nights balanced with free time to recharge or set out on your own adventure. This level is not a fit for travelers who require mobility assistance devices.

Some of the most unique sightseeing can mean accessing locations that restrict motor coaches, especially in the historic areas of Paris, such as Montmartre and Versailles, which require the ability to walk up and down hills and on cobblestoned streets and stairs. For your comfort, we

recommend bringing comfortable walking shoes. If you require a walker or wheelchair, or have difficulty walking, you may not be able to access some of these areas and may want to consider an alternate program with us. Our Client Care Agents can provide additional information or assistance to help you determine the perfect trip for you.

The walking tour in London will be a little over 2 hours and requires standing up to 20 minutes at various sites.

If you require any special assistance while on tour, please make us aware at time of reservation so the necessary request form can be sent to your attention.

Days of features are interchangeable.

**Paradis Latin may be considered unsuitable for children – consult your Tour Manager.

***The Versailles optional tour must be purchased at a minimum of 60 days prior to departure.

Experience It! Dinner at the Eiffel Tower

It's like a scene from a movie: the lights of Paris glitter beneath you as you dine inside one of the world's most iconic landmarks – the Eiffel Tower. Proudly rising up on the Champ de Mars, the historic Eiffel Tower is actually the tallest structure in Paris (and the most visited paid monument in the world). Soak in the exclusive experience as you sample savory French cuisine from one of the world's most noteworthy gastronomic cities. Enjoy an unforgettable meal in a contemporary setting, providing a wonderful contrast to the historical landmark the restaurant resides in. Stand inside history, relish fine French cuisine, and take in the most incredible views in the "City of Light."
