MEDICA CONDITIONS (e.g., medical conditions, allergies, or current medications)

PLEASE CAREFULLY AND COMPLETELY READ THE FOLLOWING INFORMATION

Completion of this medical history and examination form is mandatory for participation in the sports programs of this college. Please make sure that all statements regarding your personal information and medical history is complete and accurate.

NWAC Regulations state: "After July 1st and prior to the first practice for participation in intercollegiate athletics, a student shall undergo a thorough medical examination and be approved for intercollegiate athletic competition by a medical authority licensed to perform a physical examination by the laws applicable in the state where the exam is conducted. Those licensed and approved to perform physical examination by the laws applicable in the state where the exam is conducted." Those licensed to perform physical examinations in the State of Washington include M.D., Doctor of Osteopathy (D.O.), Certified Registered Nurse (C.R.N.), Naturopath (N.D.) and Physician's Assistant (P.A.). The physical examination shall be valid for twentyfour (24) consecutive months to the date unless otherwise limited by the physician indicating the physical is only good for less than twenty-four (24) consecutive months.

This form is to be completed and signed by the student or, if the student is under the age of 18, by the student's parent or guardian. Any Information withheld or falsified may affect the student's status on the athletic team and/or the student's scholarship funding. The college reserves the right, with the student's authorization, to request past medical records, charts and diagnoses regarding injuries, medical history or physical condition, and may request additional medical examinations or tests if indicated.

GENERAL QUESTIONS

Please answer ALL of the following questions by checking either YES or NO for EACH item.

	YES	NO	
93.			Do you now have or have you ever had any chronic or recurrent illnesses?
94.			Have you ever had any illnesses lasting more than one week?
95.			If no to #93 or #94, do you now have or have you ever had any illnesses requiring treatment and care of a doctor?
96.			Do you wear eyeglasses or contact lenses?
97.			Do you currently wear eyeglasses or contact lenses while participating in sports?
98.			Do you use any dental appliances such as braces, bridges or plates?
99.			Any body parts or organs missing (appendix, eye, kidney, testicles)?
100.			Are you now or have you ever been under the treatment of a medical doctor for any injuries?
101.			Have you ever fainted, passed out, been dizzy, knocked out, unconscious or had a concussion?
102.			Have you ever had a cast, splint, cane or crutches?
103.			Have you ever had an X-ray of any bone or joint?
104.			Do you have to stop while running twice around a quarter-mile track?
105.			Do you have any trouble breathing, while at rest, after running one mile?
106.			Do you get any chest pain with exercise?
107.			Have you ever had any injuries or illnesses that caused you to miss a game or practice?
108.			Are there any reasons why you should not participate in sports?
109.			Have any of your close relatives, under the age of 50, died of heart problems or unexplained causes?
110.			Are you or any member of your family allergic to ANY medications (aspirin, penicillin, etc.)?
111.			Are you now taking or have you taken any medications, medicines, drugs or vitamins on a regular basis?
112.			Do you have any medical conditions that require special attention or treatment that the coach or athletic trainer should be aware of in the event of any injury or illness?

If you have answered "**Yes**" to any numbered item (1-112), please explain the situation or circumstances, including names of treating physicians and dates in the space provided. Identify each response by the number of the item in the left margin.
