Your 2019-2020 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. In this process, we are required by federal law to compare the information from your FAFSA application with the information on this form and your tax information (and your spouse's if you are married). If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the Financial Aid Office. Verification of 2017 Income Information for Tax Filers

TAX RETURN FILERS: The instructions below apply to the student and spouse, if the student is married. Notify the financial aid office if you or your spouse filed separate IRS income tax returns for 2017 or you had a change in marital status after December 31, 2017.

Instructions: Complete this section if you and/or your spouse (if married), filed or will file a 2017 IRS income tax return(s). *The best way to verify taxable income is by using the IRS Data Retrieval Tool (IRS DRT) that is part of FAFSA on the Web at FAFSA.gov.* In most cases, no further documentation is needed to verify your 2017 income if you transfer your information into the FAFSA using the IRS DRT.

Check the box that applies:

I have used the IRS DRT in FAFSA on the Web to transfer 2017 IRS income tax return information into my FAFSA application.

I have not yet used the IRS DRT in FAFSA on the Web, but will use the tool to transfer 2017 IRS income tax return information into my FAFSA application.

I am unable or choose not to use the IRS DRT in FAFSA on the Web, and instead will provide the school with a **2017 IRS Tax Return Transcript(s)** or a signed copy of my and my spouses (if married) 2017 tax return(s).

A **2017 IRS Tax Return Transcript** may be obtained through:

- Get Transcript by MAIL – Go to www.irs.gov, under the Tools heading, click “Get a tax transcript.” Click “Get Transcript by MAIL.” Make sure to request the “IRS Tax Return Transcript and **NOT** the “IRS Tax Account Transcript.”
- Automated Telephone Request – 1-800-908-9946
- Paper Request Form – IRS Form 4506T-EZ or IRS Form 4506-T. This option must be used if you or your spouse had an address change since filing your 2017 tax return(s).

Tax return transcripts are generally received within 10 business days form the IRS’s receipt of the request.

If you are married and you and your spouse filed separate 2017 IRS income tax returns, the IRS DRT cannot be used and a tax return transcript or signed tax return must be provided for both of you. For students who have experienced a change in marital status: 1) If you have become married since filing your 2017 income tax return, then you will need to provide a 2017 IRS Tax Return Transcript or signed tax return for both yourself and your spouse (if taxes were filed). 2) If you have separated from your spouse or are now divorced from your spouse, then provide a 2017 IRS Tax Return Transcript or a signed copy of your 2017 tax return, along with any W2 form(s) for both yourself and your spouse so the income can accurately be separated.

Check here if 2017 IRS Tax Return Transcript(s) or signed 2017 tax return(s) is provided.

Check here if 2017 IRS Tax Return Transcript(s) or signed 2017 tax return(s) will be provided later.

Any individual who files an amended IRS income tax return for tax year 2017 must provide a copy of their 2017 IRS Tax Return Transcript or signed copy of 2017 tax return (that includes the original tax return information) and a signed copy of their 2017 IRS Form 1040X – “Amended U.S. Individual Income Tax Return,” that was filed with the IRS.

Any individual who was the victim of IRS tax-related identity theft must provide a Tax Return DataBase View (TRDBV) transcript obtained from the IRS and a statement signed and dated by the tax filer indicating that he or she was a victim of IRS tax-related identity theft and that the IRS is aware of the tax-related identity theft.
